If the parent(s) or person(s) authorized by the parent(s) appears to be physically and/or emotionally impaired to the extent that, in judgment of the director and/or staff member, the child would be placed at risk of harm if released to such an individual, the center shall ensure that:

Information to Parents

Under provisions of the Manual of Requirements for Child Care Centers (N.J.A.C. 10:122), every licensed child care center in New Jersey must provide to parents of enrolled children written information on parent visitation rights, State licensing requirements, child abuse/neglect reporting requirements, and other child care matters. The center must comply with this requirement by reproducing and distributing to parents this written statement, prepared by the Bureau of Licensing in the Division of Youth and Family Services (DYFS). In keeping with this requirement, the center must secure every parent's signature attesting to his/her receipt of the information.

* * * * *

Our center is required by the State Child Care Center Licensing law to be licensed by the Bureau of Licensing in the New Jersey Division of Youth and Family Services. A copy of our current license must be posted in a prominent location at our center. Look for it when you're in the center.

To be licensed, a center must comply with the Manual of Requirements for Child Care Centers (the official licensing regulations). The regulations cover such areas as: physical environment/life-safety; staff qualifications, supervision, and staff/child ratios; program activities and equipment; health, food and nutrition; rest and sleep requirements; parent/community participation; administrative and record keeping requirements; and others.

Our center must have on the premises a copy of the Manual of Requirements for Child Care Centers and make it available to interested parents for review. If you would like to review our copy, just ask any staff member. Parents may secure a copy of the Manual of Requirements by sending a check or money order for \$5 made payable to the "Treasurer, State of New Jersey," and mailing it to: Bureau of Licensing, Division of Youth and Family Services, Licensing Publication Fees, P.O. Box 18500, Newark, New Jersey 07191.

We encourage parents to discuss with us any questions or concerns about the policies and program of the center or the meaning, application, or alleged violations of the Manual of Requirements of Child Care Centers. We will be happy to arrange a convenient opportunity for you to review and discuss these matters with us. If you suspect our center may be in violation of licensing standards, you are entitled to report this to the Bureau of Licensing at 609-292-1021 or 609-292-9220. Of course, we would appreciate your bringing these concerns to our attention, too.

Our center must have a policy concerning the release of children to parents or people authorized by parent(s) to be responsible for the child. Please discuss with us your plans for your child's departure from the center.

Our center must have a policy about dispensing medicine and the management of communicable disease. Please talk to us about these policies so we can work together to keep our children healthy.

Parents are entitled to review the center's copy of the Bureau of Licensing's Inspection/Violation Reports on the center, which are issued after every State licensing inspection of our center. If there is a licensing complaint investigation, you are also entitled to review the Bureau's Complaint Investigation Summary Report, as well as any letters of enforcement or other actions taken against the center during the current licensing period. Let us know if you wish to review them and we will make them available for your review.

Our center must cooperate with all DYFS inspections/investigations. DYFS staff may interview both staff members and children.

Our center must post its written statement of philosophy on child discipline in a prominent location and make a copy of it available to parents upon request. We encourage you to review it and to discuss with us any questions you may have about it.

Our center must post a listing or diagram of those rooms and areas approved by the Bureau for the children's use. Please talk to us if you have any questions about the center's space.

Our center must offer parents of enrolled children ample opportunity to participate in and observe the activities of the center. Parents wishing to participate in the activities or operations of the center should discuss their interest with the center director, who can advise them of what opportunities are available.

Parents of enrolled children may visit our center at any time without having to secure prior approval from the director or any staff member. Please feel free to do so when you can. We welcome visits from our parents.

Our center must inform parents in advance of every field trip, outing, or special event away from the center, and must obtain prior written consent from parents before taking a child on each such trip.

Anyone who has a reasonable cause to believe that an enrolled child has been or is being subjected to any form of hitting, corporal punishment, abusive language, ridicule, harsh, humiliating or frightening treatment, or any kind of child abuse, neglect, or exploitation by any adult, whether working at the center or not, is required by State law to report the concern immediately to the Division of Youth and Family Services' Office of Child Abuse Control, toll free at 1-800-792-8610, or to any DYFS District Office. Such reports may be made anonymously.

Dear Parent or Guardian:

In keeping with New Jersey's child care center licensing requirements, we are obliged to provide you, as the parent or guardian of a child enrolled in our child care center, with the attached informational statement.

The statement highlights, among other things, your right to visit and observe our center at any time without having to secure prior permission, the center's obligation to be licensed and to comply with licensing standards, and the obligation of all citizens to report suspected abuse/neglect/exploitation to the State of New Jersey's Division of Youth and Family Services (DYFS).

Please read this statement carefully and if you have any questions, feel free to contact me.

Sincerely,

Jan Higbee
Early Childhood Director

Communication Policy

This policy will provide guidelines for communication between Parents and Guardians.

Communication between home and school is a critical component to your child's success. Daily notes and monthly newsletters will be sent to each family electronically using the Kaymbu App. Email is an important means for us to communicate general center updates, announcements, health notices, as well as community events. We will continue to use Text remind for any school closings. Please make sure that you are signed up for both. Periodically notices may be placed in your child's mailbox. Important information pertaining to individual children may be shared either in person or by phone.

This policy will provide guidelines for communication between Parents and Guardians.

Pictures of school wide events will continue to be shared on our private Facebook page, Parents of the JCC Atlantic Preschool. If you do not wish your child to participate please let out Early Childhood (EC) Office know.

Staff may not post pictures of children on their personal pages. The JCC respects the privacy of our families; our Facebook page is only open to our EC families. We ask that other families do not share pictures on their Facebook accounts without the permission of the families.
