PRESS RELEASE

Home sweet home for Strive Physical Therapy as they expand with new location at Milton & Betty Katz JCC

MARGATE, NJ (April 3, 2023) – The Milton & Betty Katz Jewish Community Center (JCC) is excited to announce they've partnered with Strive Physical Therapy. Effective May 2023, Strive Physical Therapy will reside on the second floor of the Katz JCC, welcoming new and existing clients to their Margate location.

"When we were looking to add a new tenant to our facility, we knew we wanted to partner with an organization that would align with our mission of serving and helping the community. We're excited about this new partnership, and we know our community will benefit from what Strive Physical Therapy offers. We've already discussed collaborating on programs and events with Strive and we're proud to be a part of their expansion," said Marg Rosenblatt, Katz JCC CEO.

Established in 2005, Strive Physical Therapy has provided expert, compassionate care that targets their client's root problem, resulting in lasting relief. As a physical therapist owned practice, their commitment to serving the community and helping people get better drives their work.

In the words of said Erich Herkloz, MPT, Cert. MDT and Strive Physical Therapy CEO/Partner, "We are excited to announce the opening of our new Strive Physical Therapy and Rehabilitation clinic inside the JCC fitness center in Margate. Our patient-centered approach to physical therapy is perfectly suited to the unique needs of individuals who value their fitness and wellness. With 35 locations throughout central and southern New Jersey, Pennsylvania and locally in Galloway, Northfield and Mays Landing, Strive offers a Parkinsons Program, Dizziness/Balance Program, vestibular program and sports medicine program. Strive is committed to providing the highest quality care to help our patients achieve the best possible outcomes. With our new location, we look forward to bringing our expertise and patient-centered approach to even more members of the community who are looking to take charge of their health and well-being."

In addition to the services Erich Herkloz mentioned, Strive meets an extensive variety of client needs with their broad expertise in physical therapy treatments, including: POTS/EDS, Vertigo, Aquatic Therapy, Back/Neck Pain, Auto Accidents, Work Injuries, Pelvic Health, Neurological Conditions, Certified Hand Therapy, TMJ, Concussion, Occupational Therapy, Swim Science Center, Acupuncture and FCEs.
